DETAILED ACTION

Response to Arguments

Applicant's arguments, filed 6/30/2009 with respect to the rejections based on Harford have been fully considered and are persuasive. The rejections have been withdrawn and reasons for allowance are given below.

Allowable Subject Matter

Claims 1-11, 13-16, 19, and 20 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding **claims 1 and 7**, neither Harford, nor any other reference of record discloses or fairly suggests wherein the sound trap filter is disposed between the video detector and the trap filter and wherein a first filter is disposed at an input of the video detector.

Regarding **claim 15**, neither Harford, nor any other reference of record discloses or fairly suggests wherein the sound trap filter is disposed between the video detector and the trap filter and wherein the trap filter eliminates a frequency signal of 4.85-5.25 MHz.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
